**Subject:** RE: RapidTox Dashboard Demo

Yes, absolutely we will have video/phone (and likely adobe) available. I have already alerted Nathan to this and let him know that folks from Cinci and RTP would join. I think the meeting will be in RRB, in Tom's conference room. But we'll know better when the invite comes from Nathan.

Tina

**Subject:** RE: RapidTox Dashboard Demo

Hi Tina,

We're looking forward to the demonstration, and we'll provide names of some additional folks for the invitation.

I'm copying the NCEA division directors and other key managers as a heads-up.

Do you anticipate the briefing by video, or webcast? We will have individuals in DC, RTP and Cincinnati that will benefit from attending.

Thanks,

John

**Subject:** RapidTox Dashboard Demo

Dear Ken,

I wanted to let you know that following on the email below to Jim Jones and Tom Burke, we are moving forward with scheduling a demonstration of the prototype CSS RapidTox Dashboard for them. Looking at their impossible calendars, it appears that the earliest opportunity for this briefing will be some time during the week of July 25<sup>th</sup>. Please let me know who from NCEA (besides Jason Lambert and John Vandenberg) should be included on the calendar invitation to this briefing.

Thank you,  
Tina

**Subject:** RapidTox Demo for you

Dear Tom and Jim,

In May 2015, at your request, Rusty and I agreed to (re)prioritize the development of RapidTox (originally planned to begin in FY17) so that we could have a prototype for your consideration in June/July 2016. The project team reports that they are indeed prepared to do this demo in late June, early July. This timeline seems consistent with your interests in 'accelerating the pace of chemical risk assessments.' If so, can we go ahead and schedule this briefing/demo?

Thanks,  
Tina and Rusty
